

**Remarks:**

The Examiner considered the amendment document filed in this matter on February 14, 2005 to be non-compliant, for failing to include the text of all withdrawn claims. In response the Applicant has cancelled those claims that were noted as "withdrawn" in the prior amendment.

**Summary:**

The Applicant has made an earnest effort to be fully responsive to the Examiner's objections and believes that Claims 3 - 7 are now in condition for allowance. The applicant solicits the allowance of Claims 3 - 7.

If, however, the Examiner should for any reason consider this application not to be in condition for allowance he is respectfully requested to telephone the undersigned attorney at the number listed below prior to issuing a further Action.

Respectfully submitted,

*Rob Kallio*
